

Title VI Performance Goals for 2016-2017

Title VI Performance Goal:

Goal: Each participating LEA will decrease the proportion of high school students not earning a standard diploma by 10% each school year.

The Putnam County School District plans to utilize Title VI Funds to implement the following strategies to decrease the proportion of high school students not earning a standard diploma:

- Educational Technology, including software, to support digital curriculum;
- Activities authorized under Part A of Title I - Web based curriculum for intervention support for students who need to improve their GPA for graduation and or recover credits for courses that they failed.
- District Elementary Math Coach

PCSD anticipated outcome:

By the end of the 2016-2017 year, graduation rates from the most current data available will show a 10% decrease in the percentage of students not earning a standard diploma as compared to the graduation data for the previously reported year.

Telephone: 386-329-0527
386-329-0646

Program Description

Title VI, Part B, Subpart 2, Rural and Low-Income School (RLIS) Program is intended to meet the unique needs of rural and low-income districts by providing resources and flexibility to supplement selected No

"A teacher who loves learning earns the right and the ability to help others learn."
Ruth Beechick

Child Left Behind priorities. Challenges faced by these districts often include the lack of personnel and resources needed to compete

effectively for Federal competitive grants and formula grant allocations in amounts too small to be effective in meeting their intended purpose.

Title VI Performance Goals for 2016-2017

Goal: Decrease the proportion of the cohort of students 4th-10th grade scoring non-proficient on Florida's adopted assessment(s) in reading, mathematics and writing by 10% each school year.

The Putnam County School District Plans to utilize Title VI Funds to implement the following strategies to improve the academic performance of our disadvantaged students:

- Teacher professional development on the Florida Standards;
- Teacher professional development on the utilization of technology to improve teaching;
- Teacher professional development to support quality instruction for students with disabilities;
- Teacher professional development to support quality instruction for English Language acquisition;

- Educational technology, including software and hardware, to support digital curriculum;
- Activities authorized under part A of Title I-Web based curriculum for intervention support for students who need to improve their GPA for graduation and or recover credits for courses that they failed.

PCSD anticipated outcome:

By the end of the 2016-2017 school year, data from FSA ELA and Math will show that Putnam County Students participating in activities funded with Title VI, Part B funds have improved by 10%.
