

FLVS Full time is a **public school option**. FLVSFT is district 71 in the State of Florida. Students "attend" school at home but all records are maintained by FLVSFT. Registration is completed with FLVSFT. Requirements must be met for enrolling in FLVSFT. Students may only be enrolled during designated enrollment periods.

Student earns a standard public school diploma upon completion of Florida graduation requirements.

Putnam Virtual is the Putnam County School District Florida Virtual School. This is a **public school option** and although students "attend" school at home, they are monitored by Putnam County. Six classes are required and testing requirements must be met. Students may only be enrolled during designated enrollment periods.

Student earns a standard public school diploma upon completion of Florida graduation requirements.

Part time FLVS

Select **private school** students may take FLVS classes in addition to regular classes.

Diploma may be granted by private school upon completion of school's graduation requirements.

Public school students may take FLVS classes in addition to regular classes. Guidance counselor approves and monitors. Diploma comes from their registered school.

Home school students may utilize FLVS classes as the resource for education. A portfolio must be maintained as Home Education is parent right and responsibility.

Diploma options are varied upon requirements met.
