Each of the following items will be considered along with additional data if applicable. Applicants do not need to submit these items if transferring from a Putnam County Public School. Applicants not currently in the District should attach a hard copy.

- Final report card from last year and a recent report card from current year
- Attendance and discipline reports from current year
- Standardized test scores (Private/Home school students should provide relevant assessment documentation)
- CogAT assessment score (new applicants meeting basic eligibility requirements and specific grade levels will be contacted to sit for the assessment) (Cambridge only)
- State reading, math, writing, science, and EOC assessments (basic eligibility is above grade level assessment scores)
- Grades (basic eligibility for grades 1-8 is A/B grades, basic eligibility for 9-12 is a 3.0 in high school coursework)

Meeting the basic eligibility requirements for the Acceleration Program does not ensure admission. Acceptance is contingent upon student data and program availability. A signature below authorizes gifted and talented student screening. The decision of the Selection Committee will be final. If accepted, you are authorizing the PCSD data department to withdraw the student from the zoned school and enroll the student in the school selected.

FIRST ROUND PLACEMENT DECISIONS WILL BE MADE IN APRIL, 2018. Second Round applications will be accepted throughout the year.

I understand this is a rigorous academic program for academically talented and motivated students. If my child is accepted as a student, I acknowledge that my child will need to participate in all courses required for the course progression and maintain good attendance, behavior and high academic achievement.
