

CHAPTER 5.00 – STUDENT SERVICES

ADMISSION CRITERIA FOR NON-RESIDENT STUDENT

5.01

The admission of a non-resident student is discretionary with the School Board and the Board is authorized to establish rules establishing terms and conditions for non-resident enrollment. The entrance criteria must include testing of appropriate performance skills. See also Chapter 4, 4.01. A non-resident student shall include any student whose parent/guardian has lived in Florida less than one year, but has not purchased a home prior to enrollment and has not filed a manifestation of domicile.
